I. W. F. Thorne being first duly sworn depose and say that the map has been correctly drawn to the designated scale from field notes of a survey made by me on the 8th day of November 1946. That it truly and correctly represents the location and extent of the proposed works used to divert water from six mile spring by Erastus L. Jones for stock watering purposes. That the Point of Diversion and the place and manner of use are fully and accurately Designated Thereon.
