I Charles G. Walker, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me between the 7th and 11th day of June 1947; that it truly and correctly represents the location and extent of works used to divert water from BELL SPRING, in Nye County, by James M. Staley, for domestic and irrigation purposes. That the point of diversion the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing section subdivisions the areas to be irrigated, are fully and correctly designated thereon.

Charles G. Walker
State Water Right Surveyor.

Subscribed and sworn to before me this 14 day of August, 1947.
