I, A.V. Tallman, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes made under my supervision and direction between the 1st day of October and the 20th day of October, 1947; that it truly and correctly represents the proposed location and extent of the works used to divert water from White's Creek, commonly known as Water Canyon Creek, in Humboldt County by J.J. Ballard and Roy Persson for irrigation purposes. That the proposed point of diversion, the approximate location and size of the diverting channel and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing the area proposed to be irrigated, are fully and correctly designated thereon.

A. V. Tallman
State Water Right Surveyor.

Subscribed and sworn to before me this 22nd day of October, 1947.
