F. W. Millard, being first duly sworn, deposes and says that the above map is a true and accurate plat of the stock-watering works of Rudolph Merchun as taken from the field notes of a survey made by me, completed on the 26th day of June, 1923.

That such survey was made at the instance of Rudolph Merchun, that the map represents the works described in Application No. 6925, together with the location of streams and ditches in the immediate vicinity

F. W. Millard
Surveyor.

Subscribed and sworn to before me this 7th day of May, 1927.
