
STATE OF NEVADA,
COUNTY OF NYE. } ss.

I, Charles G. Walker, being first duly sworn on oath, depose and say that this map, has been correctly drawn to the designated scale from field notes of a survey made by me the 28th day of Sept. 1948; that it truly and correctly represents the proposed location and extent of the proposed works used to divert water from an underground source, in Nye County, by William M. Turner, for Domestic and Irrigation purposes. That the proposed point of diversion, the approximate location and size of diverting channel or conduit, all reservoirs and basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

Charles G. Walker.
