I, GEORGE VON TOBEL, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 21st day of Oct., 1948; that it truly and correctly represents the location and extent of the proposed works used to divert water from Las Vegas Artesian Basin by FRANK ALLEN, in Clark County, Nevada, for irrigation and domestic purposes. That the point of diversion, approximate location and size of diverting channel or other conduit, place and manner of use, and the names and location of all works and streams which are crossed by or connected with said works, are correctly and fully designated thereon.
