
N

STATE OF NEVADA }
COUNTY OF ORMSBY } S.S.

I, E.P. Osgood, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 5th day of December 1947; that it truly and correctly represents the location and extent of the works used to divert water from Underground source by Brown Station Well, Lander County, Nevada by Roy A. BROWN for Stockwatering.

That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use and the location and names of all other works or streams which are crossed by or connected with the said works, are fully and correctly designated thereon

E. P. Osgood
State Water Right Surveyor

~~Subscribed~~ and sworn to before me this 24th day of January 1949
