I, George G. Lindesmith, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, or under my supervision and direction, on November 22, 1999, that it truly and correctly represents the proposed location and extent of works used to divert water from an underground source in Washoe County Nevada, by Clifford M. Pitts for irrigation and domestic purposes. That the proposed point of diversion and the boundary of all lands showing by 40-acre subdivision the area proposed to be served are fully and correctly designated thereon.
