I, William J. Johnstone, being first duly sworn depose and say that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me on May 14, 1951, that it truly represents the location and extent of the proposed works to be used to divert water from an underground source Douglas County for domestic use by Freeman E. Fairfield, that the point of diversion, the place and manner of use are fully designated hereon
