I, E. P. Osgood, being first duly sworn, depose and say, that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 5th & 8th days of December, 1951. That it truly and correctly represents the location and extent of the works used to divert water from underground sources by well in Lyon County, Nevada, by Frank A. Penner & wf., Gladys A., for irrigation purposes.

That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use and the location and names of all other works or streams, which are crossed by or connected with the said works, are fully and correctly designated.

E. P. Osgood,
State Water Right Surveyor
