I, Ernest H. Clary, being first duly sworn, depose and say, that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me between the 16th day of April and, and the 28th day of April, 1953; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source (Las Vegas Artesian Basin), in Clark County, by Paul M. Bowers and A. D. Blake for Quasi-Municipal and Domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre (or less) subdivisions the areas proposed to be irrigated (or otherwise benefitted) are fully and correctly designated thereon.

Ernest H. Clary
State Water Right Surveyor.

Subscribed and sworn to before this 25th day of May, 1953.
