
STATE OF NEVADA } SS
COUNTY OF ELKO }

I, Chas. F. DeArmond, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the first day of March, 1928; that it truly represents the location and extent of the works used to divert water from Highway Spring, in Eureka County, by Roy Primeaux for domestic purposes. That the point of diversion, location and size of the diverting conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.

Chas. F. DeArmond.
State Water Right Surveyor.

Subscribed and sworn to before me this 13th. day of March, 1928.
