I, A. M. Green, being duly sworn, depose and say:- that this map has been correctly drawn from field notes taken by me during an actual survey made at the instance of Forrest A Parry, about the year 1926, and from notes taken during an actual survey made by me at the instance of Harry L. Wilson, on the 13th day of October 1936: that this map is correctly drawn to the scale designated thereon, and that it accurately shows the location of Mud Springs in relation to the existing corners of the U.S. survey as indicated and the location and extent of improvements upon said spring for the use of range stock.
