I, F. W. Millard, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 28th day of September and the 30th day of September, 1927; that it truly and correctly represents the location and extent of the works used to divert water from McIntosh Irrigating Spring in White Pine County by GERTRUDE BURKE McINTOSH for irrigation purposes. That all other works, or streams which are crossed by or connected with said works, and the boundary, area and kind of culture of lands irrigated, are correctly shown and designated hereon.
