COUNTY of Los Angeles }

I, C.A. Liddell, being first duly sworn depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 17th day of July 1954; that it truly and correctly represents the proposed location and the extent of the works to be used to divert water to be obtained from an underground source in Nye County by LIONEL A. HORGAN for business and domestic purposes. From the point of diversion, the well, the water will be distributed to the place of business and the domiciles by pipe, and will not cross or connect with any other works. The water will be used on lot #3 block J as depicted on the official plat of the TOWN of PAHRUMP, recorded or filed on page 250 Book G in the office of the Recorder of Nye County, State of Nevada.

This well will be in the SW¼ SW¼ Sec. 14, T. 20 S., R. 53 E., M.D.M.

C. A. Liddell
State Water Right Surveyor.
