DENIAL OF STATE ENGINEER

denied

This is to certify that I have examined the foregoing application, and do hereby ~~grant~~ the same, subject to the following limitations and conditions:

On the grounds that the proposed appropriation and use of water applied for would tend to impair the value of existing rights; there is no unappropriated water at the sources; that the applicants do not own or control the range that they plan to place the water to beneficial use on; and to allow the proposed applications under such conditions would be detrimental to the public interest and welfare.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed _____ cubic feet per second

Actual construction work shall begin on or before _____

Proof of commencement of work shall be filed before _____

Work must be prosecuted with reasonable diligence and be completed on or before _____

Proof of completion of work shall be filed before _____

Application of water to beneficial use shall be made on or before _____

Proof of the application of water to beneficial use shall be filed on or before _____

Map in support of proof of beneficial use shall be filed on or before _____

Commencement of work filed _____
 Completion of work filed _____
 Proof of beneficial use filed _____
 Cultural map filed _____
