I, Ernest H. Clary, being first duly sworn, depose and say, that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me between the 17th day of February and the 19th day of February, 1955, that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source (Las Vegas Artesian Basin) in Clark County by Bernece Soar for Quasi-Municipal and Domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the locations and names of all other works, which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre (or less) subdivisions the areas proposed to be benefitted are fully and correctly designated thereon.
