I, Dean Neubauer, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 22nd day of April, 2008, and the 25th day of April, 2008; that it truly and correctly represents the proposed location and extent of works used to divert water from underground source, in White Pine County, Nevada by Orvan R. and Jolynn Maynard for Irrigation purposes.
