I, T.M. Cahill, being first duly sworn depose and say that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me between the 23 day of Sept. and the 24 day of Sept. 1967, and field checked on the 14 day of October 1967 that it truly and correctly represents the location and extent of the works used to divert water from underground source in Lander County by Albert G. Smith for Irrigation & Domestic purposes under permit Number 18814; That the point of diversion, the location, size and grades of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Permit No. 18814 is used, together with the area and kind of culture in each 40 acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
