I, H.H. Sheldon, being first duly sworn, depose and say that the above map is a true and accurate plat of the proposed works and improvements to be constructed by Alex Duferrena, for the purpose of appropriating water for stock watering purposes: as taken from the field notes of a survey made by me, completed on the 24th day of June, 1927.

That the survey and map were made at the instance of Alex Duferrena and that the said map truly represents the location of the point of diversion and the place and manner of use.

H.H. Sheldon
State Water Right Surveyor.

Subscribed and sworn to before me, this 13th day of August, 1927
