
STATE OF NEVADA
County of White Pine } S.S.

I, G.T. Saxton, being first duly sworn depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 13 day of September and the 2 day of November, 1927. that it truly and correctly represents the location and extent of the proposed works used to divert water from Wolframite Spring, in White Pine County, by H. W. Parker, for mining purposes. That the proposed point of diversion, the location of the mill, the approximate size and capacity of the diverting conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.

Geo. T. Saxton
STATE WATER RIGHT SURVEYOR.

Subscribed and sworn to before me this 18th day of November, 1927.
