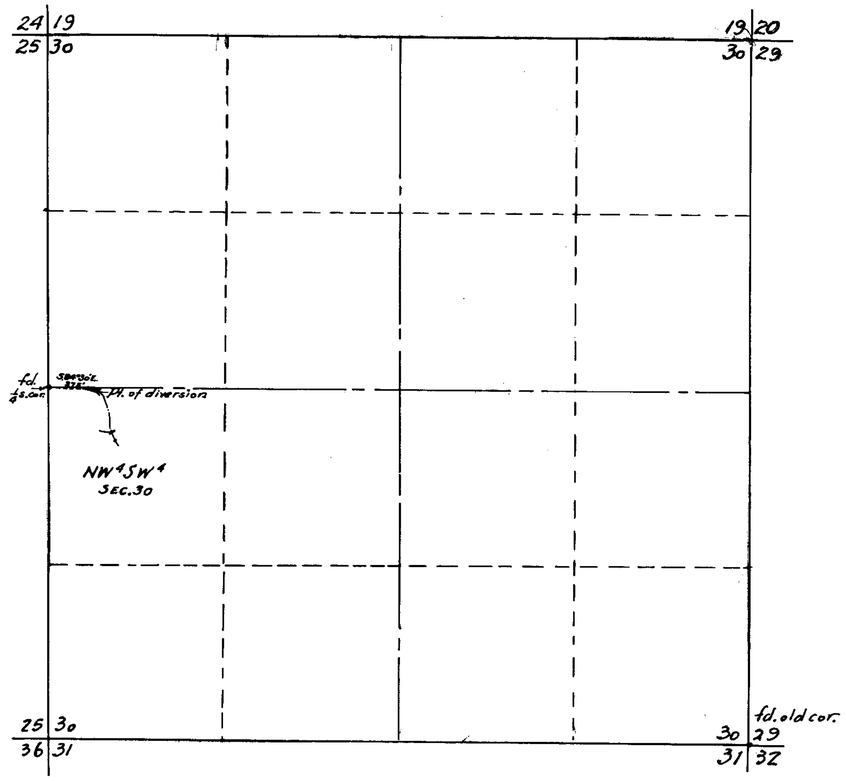
T.19S., R.56E.



STATE OF NEVADA }
County of Clark } SS.

I, C.D.BAKER, being first duly sworn depose and say that this map of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 8th day of November, 1928, at the instance of E. W. GRIFFITH; that it truly and correctly represents the location and extent of the proposed works used to divert water from MARY JANE SPG, at the tunnel site of the Charleston Mine, in Clark County, Nevada. That the proposed point of diversion, approximate location and size of the diverting channel or conduit, place and manner of use, and location and names of all other works or streams crossed by, or connected with, said works, are fully and correctly designated.

C.D.Baker
STATE WATER RIGHT SURVEYOR.

Subscribed and sworn to before me this 23rd day of November, 1928.

Albert A. Hinman,
NOTARY PUBLIC IN & FOR CLARK COUNTY, NEV.

Commission expires February 10, 1929.

N.B.
Water to be stored in tunnel by cement concrete dam at portal approximately 2½ ft. high, and conveyed to tank S.10°E. 370' therefrom by 2" pipe.
C.D.B.

Scale 1" = 600'
