I, E.H. Sweetland, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me on September 25th 1928; that it truly and correctly represents the location and extent of the works used to divert water from Rosemary Spring, in Douglas County, by Mrs Rosemary De Longchamps for Irrigation and Domestic purposes.

That the proposed point of diversion and the boundry of all lands, showing by 40-acre and fractional subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

E.H. Sweetland
State Water Right Surveyor.

Subscribed and sworn to before me this 24th day of November 1928.
