I, Chas. F. DeArmond, being first duly sworn, deposes and say, that this map has been correctly drawn to the designated scale from field notes of a survey made by me on the 29th. day of October, 1929; that it truly and correctly represents the location and extent of the proposed works to be used to divert water from an unnamed spring in Elko County, by the Griswold-Henderson Livestock Co. for stock-watering purposes. That the point of diversion, the approximate location and size of the diverting channel, or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with the said works are fully and correctly designated thereon.

Chas. F. DeArmond.
State Water Right Surveyor.

Subscribed and sworn to before me this 1st day of November, 1929.
