

T. 12 N., R. 20 E., M. D. B. and M.

STATE OF NEVADA
COUNTY OF ORMSBY

I, J. A. Millar, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 15th day of July, 1959; that it truly and correctly represents the proposed location and extent of the works used to divert water from An Underground Source, in Douglas County, Nevada, by Paul E. Faulstich and Nina Lee Faulstich, for irrigation and domestic purposes. That the proposed point of diversion and the boundaries of the two separate tracts of land, described by bearings and distances and also showing by forty-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

J. A. Millar
State Water Right Surveyor.

Subscribed and sworn to before me this 4th day of Sept., 1959.
