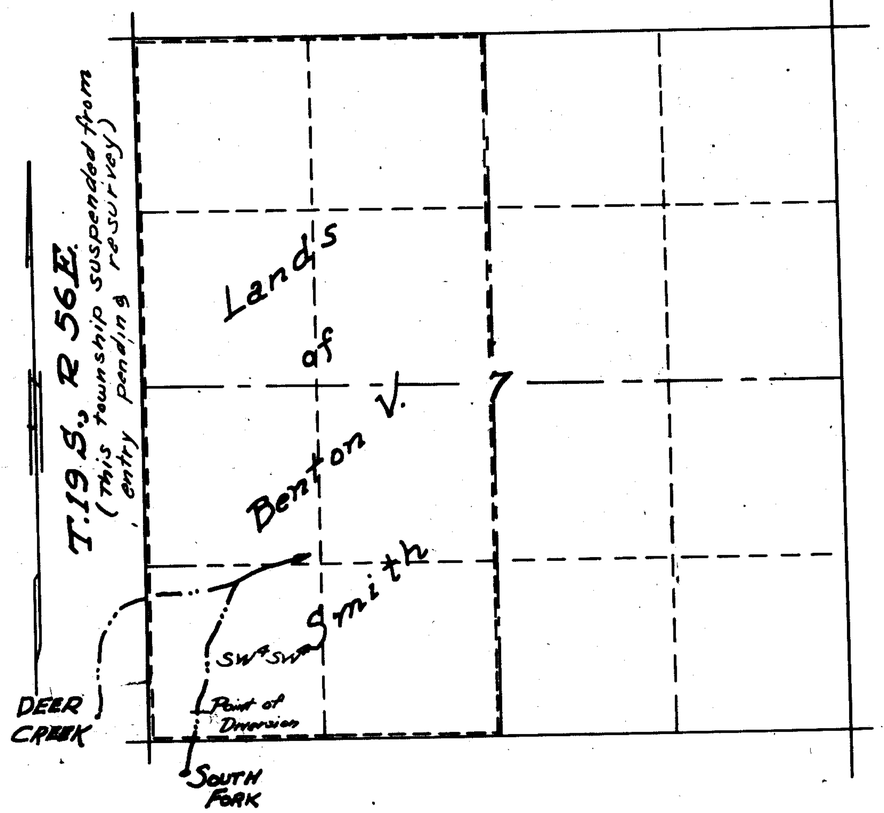
T.19 S., R 57 E., M.D.B.&M.



N.B. Ties to section corners not given for the reason that corners in suspended township are subject to adjustment. Location of point of diversion determined to nearest subdivision by rerunning range line along random established by G.L.O. during investigation of condition of corners in adjoining township.

N.B. Water to be diverted from reservoir created by rock filled dam 4 ft. heigh thru 2" pipe to place of use down canyon on applicants land

STATE OF NEVADA } ss.
County of Clark

I, C. D. Baker, being first duly sworn, depose and say that this map of one sheet has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 5th day of Sept., 1928, and the 8th day of Sept., 1928; that it truly and correctly represents the location and extent of the proposed works to divert water from South Fork Deer Creek, in Clark County, Nevada, by B. V. Smith and W. J. West, for domestic purposes; that the proposed point of diversion, approximate size and location of diverting channel, all reservoirs or basins, the location and names of all other works; and boundary of all other lands showing by legal subdivisions areas proposed to be irrigated, are as fully designated thereon as possible.

C. D. Baker
STATE WATER RIGHT SURVEYOR

Subscribed and sworn to before me this 5th day of August, 1929
