
State of Nevada,
County of Washoe.

I, G.C. Taylor, being first duly sworn, depose and say, that this map, has been correctly drawn to designated scale from the field notes of a survey made by me on Dec. 19-1929; that it truely and correctly represents the location and extent of the proposed works used to divert water from unnamed Drain Ditch, in Washoe County, by Lee F. and George M. Streeter, for Fish Ponds and Hatchery purposes. That the proposed points of diversion, size of conduits, manner of use, are fully and correctly designated thereon.

G. C. Taylor
State Water Right Surveyor
