
STATE OF UTAH }SS.
COUNTY OF SALT LAKE

I, Cyril James Barber, being first duly sworn, depose and say:

That this map consisting of one sheet has been correctly drawn to the designated scale from field notes of surveys made by the engineers of Ruby Hill Mining Company or its predecessors in interest and an examination under my supervision and direction of the section corners and the field notes and records applicable, such examination being made on or between November 7 and November 10 of the year 1961, and that it truly and correctly represents the proposed location and extent of the works to be used to divert water from the Fad Shaft located approximately two miles west of the Town of Eureka, Eureka County, Nevada, the applicant being Ruby Hill Mining Company and the intended use being for irrigation and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works and the boundary of all lands showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
