I, C.V. Taylor, being first duly sworn, depose and say that the above map is a true and accurate plat of the stock watering works of J.P. Saffores as taken from the field notes of a survey made by me, completed on the 15th day of September, 1929; that such survey was made at the instance of J.P. Saffores; that the map represents the works described in Application No. to change the place of use of water for stock and domestic uses, together with the location of streams and ditches in the immediate vicinity.

C.V. Taylor
State Water Right Surveyor.

Subscribed and sworn to before me this 15th day of January, 1930.
