I. W. H. Settelmeyer, being first duly sworn depose and say, that this map, has been correctly drawn to the designated scale from field notes of a survey made by me on the 11th day of October 1930; that truly represents the location and extent of the proposed works used to divert water from a SPRING in ELKO COUNTY, by the Kearns Corporation for Stock watering purposes. That the proposed point of diversion, the approximate location of the diverting channel or other conduit, the place of use, and location and names of all other works or streams which are connected with the said works, are fully and correctly designated thereon.
