County of Clark }

I, F M Eaton, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on July 17th, 1959; that it truly and correctly represents the location and extent of the works used to divert water from an underground source in Clark County, by TRAILER ACRES, a partnership, for Commercial (Trailer Court) purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundaries of all lands upon which this water will be used, are fully and correctly designated thereon
