
Constructed Works- Consists of an earth catch basin at point of diversion.

STATE OF NEVADA
COUNTY OF CLARK } ss.

I, E.W. Banister, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 15th day of August, 1929; that it truly and correctly represents the existing location and extent of the works used to divert water from Lone Willow Spring in Clark County, Nevada by Willard H. George, for stockwatering purposes. That the existing point of diversion, the approximate location and size of the diverting channel, or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or are connected with the said works, are fully and correctly designated thereon.

E.W. Banister
