I, Geo. S. Nickerson, of Sacramento, Cal., hereby certify that the above map is a true and accurate plat of the plan of irrigation from the Old Bennett Spring, as taken from the field notes of a survey made by me on April 9th 1912, and at the instance of Angelo Depaoli; that it represents the works described in his Proof of Appropriation No. together with the location of streams and ditches in the immediate vicinity

Geo. S. Nickerson. Surveyor.
