APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the period of use and the average number of livestock served from the waters of this source. The State retains the right to regulate the use of the water herein granted at any and all times but does not take responsibility for the use of the Federal range.

This permit is further issued with the provision that no diversion of water will be allowed under the permit if at any time flow in Laphan Creek is sufficient to be tributary to the East Walker River.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0312 cubic feet per second, or sufficient water to water 1000 head of cattle.

- Actual construction work shall begin on or before March 29, 1978
- Proof of commencement of work shall be filed before April 29, 1978
- Work must be prosecuted with reasonable diligence and be completed on or before March 29, 1980
- Proof of completion of work shall be filed before April 29, 1980
- Application of water to beneficial use shall be made on or before March 29, 1981
- Proof of the application of water to beneficial use shall be filed on or before April 29, 1981
- Map in support of proof of beneficial use shall be filed on or before
