I, H. H. Sheldon, being first duly sworn, depose and say that the above map is a true and accurate plot of the location of the watering troughs of Laborde Bros. & Co., as taken from the field notes of a survey made by me, completed on the 10th day of July, 1920.

That the map and survey were made at the instance of Laborde Bros. & Co., owners of said troughs, and that it truly represents the irrigated lands of said Laborde Bros. & Co.
