STATE OF NEVADA
COUNTY OF NYE } SS.

I, T.M. Cahill, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 26 day of January and the 27 day of January 1963, that it truly and correctly represents the proposed location and extent of the works used to divert water from underground source in Mineral County by H.H. Holloway for Irrigation & Domestic purposes; that the present and proposed place of use under applic. No. 20688 are fully and correctly shown; that the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40 acre subdivisions the areas proposed to be irrigated are fully and correctly designated thereon.

T.M. Cahill
STATE WATER RIGHT SURVEYOR

Subscribed and sworn to before me this 13 day of Sept. 1963.
