I, C.V. Taylor, being first duly sworn, depose and say that the above map is a true and accurate plat of the lands irrigated by Parman & Saffores as taken from the field notes of a survey made by T.K. Stewart in October, 1914, and checked on the ground by me; and from the field notes of a survey made by me, completed on the 16th day of June, 1927; that the map and survey were made at the instance of Parman & Saffores, owners of said lands, and that it truly represents the irrigated lands of said Parman & Saffores.

C.V. Taylor, State Water-Right Surveyor.
