I, Jack K. Leavitt, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 20th day of December, 1963; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Clark County, Nevada by Madeline Gartland for Commercial (Trailer Park) and domestic purposes; that the point of diversion, the approximate size and location of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed work and the boundary of all lands proposed to be developed are fully and correctly designated thereon.
