STATE OF NEVADA }
County of White Pine } ss.

I, Robert W. Millard, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 21st day of February and the 6th day of March, 1964, that it truly and correctly represents the proposed location and extent of the works used to divert water from underground sources in White Pine County, by

Gena Devin Patterson

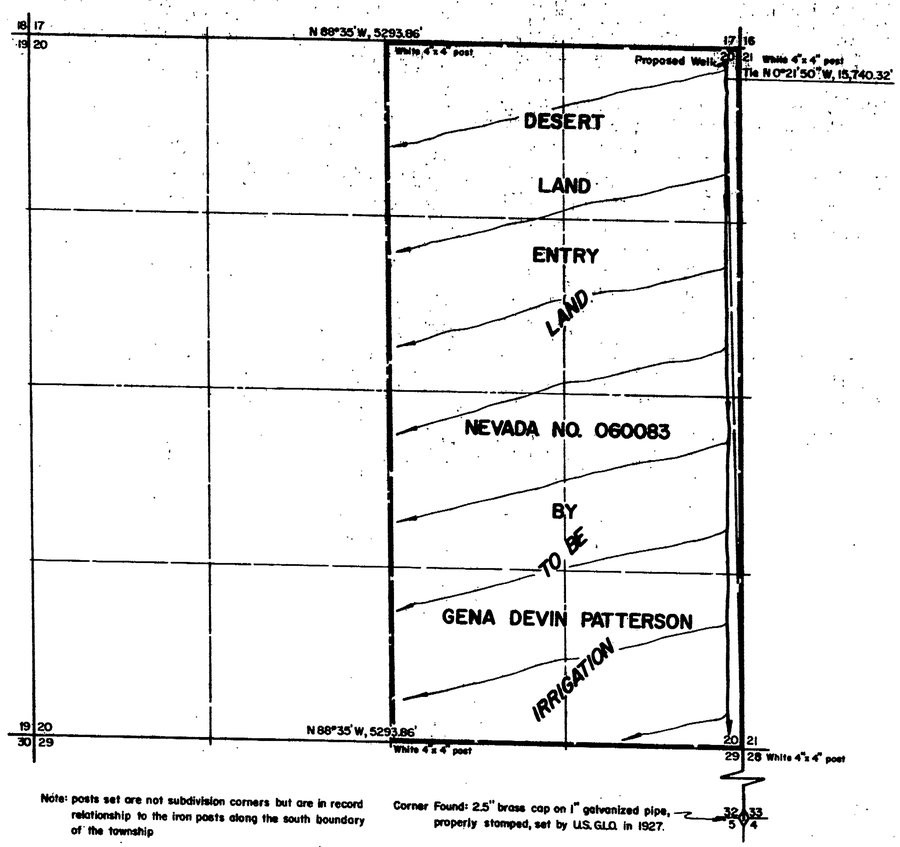
for irrigation purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

State Water Right Surveyor

Subscribed and sworn to before me this 19th day of March, 1964

Notary Public in and for White Pine County, Nevada

My commission expires January 24, 1964.



Note: posts set are not subdivision corners but are in record relationship to the iron posts along the south boundary of the township

Corner Found: 2.5" brass cap on 1" galvanized pipe, properly stamped, set by U.S.G.L.O. in 1927.
