

Note:

This map shows subdivisions starting from the N.E. Cor. of the township. If started from the south and east, it will throw 1 spring in the S.E. cor. of Sec. 12, and if started from the north and west it will throw spring off again. No corners have been found in the interior of said Township to my knowledge.

State of Nevada }
County of Humboldt } ss

I, H.H. Shelden, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 9th day of November, 1926; that it truly and correctly the location and extent of the works used to divert water from Chicken Spring in Washoe County by Lena Harkey Scott for stock-watering purposes; that the point of diversion, the place and manner of use and the location and names of all other works or streams which are crossed by or connected with the said works, are fully and correctly designated thereon. 11/9/26

H.H. Shelden
State Water Right Surveyor

Subscribed and sworn to before me this the 2nd day of Aug 1932.

M. Thorson
Notary Public in and for Humboldt County, Nevada
