I, J. R. Caldwell, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me between the 15th day of August and the 17th day of November 1969, that it truly and correctly represents the location and extent of the works used to divert water from Rebel Creek in Humboldt County by Western States Cattle Co. for Irrigation purposes. That all other works which are crossed by or connected with said works and the boundary, area and kind of culture of lands irrigated, are correctly shown and designated hereon.
