I, Victor H. Stafford, being first duly sworn, depose and say that this map, consisting of 1 sheets has been correctly drawn to the designated scale from data compiled by me and under my supervision from the following: field survey notes* aerial photos by Nevada Highway Department and U.S. forest Service between 1939 and 1970 and other maps and records in evidence of support of claims. That it truly and correctly represents the location of and present use of waters from the following sources: Ophir, Davis, Winters, Brown Creeks and their tributaries, Bowers Mansion overflow, artesian Wells, and Little Washoe Lake, and tributaries in Washoe Valley, Nevada by the Nevada Fish and Game Commission for Irrigation, Recreation, Propagation of Fish and Wildlife, Stockwatering and Domestic purposes. That all other works or streams which are crossed by or connected with said works and the boundary, area and type of culture of the lands irrigated or used, are correctly shown and designated here on.

* made by me between Feb. 29th and May 14, 1972.
