State of Nevada
County of Nye

I, Jack K. Leavitt, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 11th day of APRIL, 1966, that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Nye County by Ronald Floyd and George Slater for commercial (motel, service station and retail stores) and domestic purposes, that the point of diversion, the approximate size and location of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works and the boundary of all lands proposed to be developed are fully and correctly designated thereon.

Jack K. Leavitt
State Water Right Surveyor
