THE STATE OF NEVADA.

PROOF OF THE APPROPRIATION OF WATER.

State your name Mrs S. A. Robinson

1. Q. Postoffice.

A. Yerington Nev

2. Q. State the use to which the water has been applied.

A. Irrigation and domestic use

3. Q. State the means of diversion employed.

A. By lateral ditches

4. Q. If through a ditch state its name.

A. Baker and Snyder ditch & Nelson ditch

5. Q. (a) State date of survey of the ditch or other distributing works through which the water claimed is diverted. (b) The date when the construction of such ditch was begun and when completed.

A. (a)

(b)

6. Q. If any enlargements were made state the date when begun and the date when completed.

A.

7. Q. State dimensions of the ditch as originally constructed, and as enlarged.

A.

8. Q. State the name of person, association of persons or corporation who built the ditch or canal, and the name or names of its present owners.

A.

9. Q. State the nature of your title to the land for which an appropriation is claimed, and if not owned by you give the name of the owner and the nature of the possessory right which you exercise.

A. By Deed

10. Q. State the year when water was first used for irrigation or other beneficial purposes, and by whom. If for irrigation, give the number of acres watered the first year, with the legal subdivisions on which the water was used, and as near as may be the acres irrigated in each legal subdivision.

A. 5 acres were irrigated 1899 by John Cummings N ¾ of the north east quarter of the south west quarter of section 14 Township 12 north of range 23 east M.D.M. containing thirty acres of land.

11. Q. State the number of acres watered each subsequent year, and give the legal subdivisions on which the water was used, and as near as may be the acres irrigated in each legal subdivision.

A. The avarage encreased about 10 acres in 1900 on same subdivision

12. Q. If water is claimed for irrigation, give the legal subdivisions of land owned or controlled by you for which an appropriation is claimed.

A. 15 acres in different parts of the land described in question 10 & 11

13. Q. State the acreage said ditch is capable of watering, give the legal subdivisions of land which it can be made to irrigate, and state who owns said land.

A.

14. Q. State the character of the soil and the kind of crops cultivated.

A. Sandy loam, grain hay vegetables and fruit

15. Q. Are you an owner in said ditch? If so state your proportionate interest therein.

A. Yes 3/8 of 1/12 or 1/32 Share or interest in and to the Baker ditch and 1/16 of the nelson ditch also the undivided 3/8 share or interest in the ditch that takes water from the nelson ditch and flows on the above discorder land

16. Q. The plat prepared by the State Engineer is hereby accepted as showing correctly the location of the Baker & Snyder Ditch and the land which can be irrigated therefrom.

A.

17. Q. When does your irrigation season begin and when does it end?

A. Begans about 15 of March end about Nov 1

18. Q. If water is used for other purposes than irrigation, state the nature of such use, the time when such use began, and how much water is required for such purpose.

A. Used for watering stock & domestic use

19. Q. During what months is the water used?

A. All the Year around

20. Q. Have you had sufficient water each year since the use for which an appropriation is claimed began? If not, state the years of scarcity, the months when the supply was insufficient, and the reason of such scarcity.

A. Water has been short several irrigation seasons especially in the latter part of the irrigation season due to not much water in the river.

Signed:

Max St. Robinson

Yerington, Nevada, April 8th, 1907

Sworn to and subscribed before me at Yerington, Nevada, this 8th day of April, 1907.

E. H. Whitacre, Notary Public.
