Through
Name of ditch, pipe line, etc.
Jas F. Robison, the undersigned, being first duly sworn, deposes and says that the statements herein contained relative to the appropriation of water by Geo. S. Robison and Sons are full and correct to the best of his knowledge and belief.

Geo S Robison and Sons - By Jas F Robison Partner
If proof is not made by claimant, deponent should state on this line by virtue of what authority he represents the claimant
of said Geo S. Robison & Sons

(1) Name of claimant Geo. S. Robison and Sons.
Address Osceola, County of White Pine,
State of Nevada.

(2) The means of diversion employed is Dams ditches & flume
Dam and ditch, pipe line, flume, etc.

(3) The water is impounded in A Small reservoir & two troughs
Troughs, reservoirs, tanks, etc.

(4) The construction of the ditch or other works was begun October 10th 1902
and completed About October 25th 1902

(5) The nature of the claimant's title to the land upon which the works are located is A Squatters right. Then recorded at Ely, Nev.

(6) The claimant's water right was (~~was not~~) recorded in the office of the County Recorder of White Pine County, at page 116 of Book C of Oct 8th 1902.

(7) The approximate number of animals watered by the claimant during the first year was 200 Cattle and said watering was conducted for an approximate period of 120 days during each of the following months From September to January of each year according to the snow fall.

(8) The approximate number of animals watered by claimant in subsequent years was as follows:
From 1902 to 1905 we watered from 200 to 300 Cattle for a period of 3 to 4 months each year.
From 1909 to the present time, we have ranged at various times from 1500 to 3000 Sheep according to the feed and water supply.

(9) The amount of water which it has been necessary to divert for the said purpose has been (1/10 One tenth) - - - cubic feet per second.
40 miners inches equals 1 cubic foot per second

(10) The water is diverted from its source at ~~N~~ S 26° 10' ~~E~~ W 6401 feet
True bearing to nearest 5 minutes distance
from the N. W. corner of Section 36, T. 13 N, R. 70,
E., Mount Diablo Base and Meridian.

NOTE—Information under (10) must invariably be given when a public corner is within 6 miles, unless the State Engineer consents to some other form of description.

(11) The works are located at Choke Cherry Spring No 1
Describe as within a 40 acre subdivision of public survey or by a tie in same manner as under (10)

Remarks: ~~N~~ S 26° 10' ~~E~~ W 6401 feet from the N. W. Cor. Sec 36 - Tp. 13 N. R. 70 E.

This spring was diverted into traughs and small reservoirs October 1907.
From 1903 to 1906 this water was used during the months of April and May of each on a small piece of land sown to oats and alfalfa

~~The distance from corner to point of diversion and to the place of use is in error should be S-26° 10' W 6401.5 ft (see map)~~
