I, Peter G. Guisti, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 1st and 4th days of Sept, 1967 that it truly and correctly represents the proposed location and extent of the works used to divert water from Underground Sources in Washoe County by Shoshone Coca-Cola Bottling Co for domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or conduit, the place of use, and the location and names of all other works or streams which are crossed by or connected with the said works, are fully and correctly designated thereon.
