DENIAL OF STATE ENGINEER

deny

This is to certify that I have examined the foregoing application, and do hereby deny the same, subject to the following limitations and conditions:

Application was denied by verbal ruling of the State Engineer on August 17, 1983, on the grounds that the applicant has failed to provide the additional information requested and has failed to show a continued interest in the application and the granting of the application in the absence of this continuing interest and request for additional information would be detrimental to the public interest and welfare.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before

Proof of the application of water to beneficial use shall be filed on or before

Map in support of proof of beneficial use shall be filed on or before

Commencement of work filed
Completion of work filed
Proof of beneficial use filed
