(Dam and ditch, pipe line, flume, etc.)

(3) The date of the survey of ditch, canal or pipe line was First survey some 30 years ago. Last survey Oct 8, 9, & 10th, 1914.

(4) The construction of the ditch or other works was begun Date unknown, some 30 yrs ago

and completed previous to 1904. Exact date unknown.

(5) The dimensions of the ditch or canal as originally constructed were: Width on bottom — feet;

width on top — feet; depth — feet; on a grade of — feet per

thousand feet.

(6) The amount of water claimed is 4000 gals per day of 24 hrs. (.0062 c.f.s.) ~~second feet~~.

(7) The conduit ~~has~~ (has not) been enlarged.
(NOTE: If enlargement or extension of ditch was made, supply information under (7) and (8.)

(8) The work of enlargement of the ditch or canal was begun —,

and completed —

(9) The dimensions of the ditch or canal as enlarged are: Width on bottom — feet; width on top

— feet; depth — feet; on a grade of — feet per thousand feet.

(10) The claimant ~~is~~ (is not) an owner in the above-described conduit

(If claimant is an owner in the conduit, state interest held on this line.)

(11) The nature of the title to the land upon which the works are located is

Patented Mill site

(12) If works are not completed give description of work already done

Completed.

(13) The water has been used for power (mining) (milling) from Mining almost continuously for 30 years, and Milling
(Strike out any not wanted) (Day of month)

about some length of time, save part of 1913 & 1914.

to (Day of month) of each year.

(14) The water was first used for power (mining) (milling) by ~~claimant or~~ its grantors ~~in the year~~ over 30 yrs ago,
(Strike out any not wanted)

date unknown, and horse-power unknown.

, when horse-power was generated.

(15) The maximum power generated in any year was About 200 horse-power.

(16) The years during which no water was used for power (mining) (milling) or during which the fully water
(Strike out any not wanted)

right was not used were Used in reduced quantity from 1906
(If water was not used, or used in reduced quantity at any time,

to 1910.

full information as to the cause and duration of non-use should be given, appending a sheet if necessary.)

(17) The claimant's water right ~~was~~ (was not) recorded in the office of the County Recorder of to my knowledge County, said record being at page ..... of Book ..... of ....., and being a claim for ..... of water for generating power (mining) (milling) .....
(Strike out any not wanted)

(NOTE: Failure to record in the county in no way invalidates a water right, but if a ditch or right was so recorded, supply full information.)

(18) The map provided by the State Engineer and attached hereto as a part of this proof is hereby accepted as correctly showing the ditch lines or other works diverting or conveying the water claimed, to the point of use.

(19) Water from the source given and through the works described is also used for the following purposes other than power (mining) (milling) drinking purposes, and piped into some of the Company houses.
(Strike out any not wanted).

(20) Remarks: From 1906 to 1910, mines and mill were operated only intermittently, during the transfer of the property to present claimant, and the raising of funds for further operations.

S. J. Hollenworth

Subscribed and sworn to before me, this 21st day of October 1914

T. F. P. Cummer

Notary Public in and for the County of Eureka

My commission expires Sept 29th 1917

This part of form to be left blank by claimant.
