01359

THE STATE OF NEVADA

PROOF OF APPROPRIATION OF WATER FOR STOCK WATERING PURPOSES

From Grape Vine Spring
Name of natural water source.

Through Pipe line
Name of ditch, pipe line, etc.

James Ryan, *the undersigned, being first duly sworn, deposes and says that the statements herein contained relative to the appropriation of water by* him (James Ryan) *are full and correct to the best of his knowledge and belief.*

If proof is not made by claimant, deponent should state on this line by virtue of what authority he represents the claimant

(1) *Name of claimant* James Ryan
Address Caliente, *County of* Lincoln,
State of Nevada

(2) *The means of diversion employed is* by a cut into the mountain, and pipe line
Dam and ditch, pipe line, flume, etc.

(3) *The water is impounded in* Wood troughs 30 X 2½ X 1½ feet
Troughs, reservoirs, tanks, etc.

(4) *The construction of the ditch or other works was begun* 1893
and completed the same time, 1893

(5) *The nature of the claimant's title to the land upon which the works are located is* unsurveyed government land and the claiment is holding title to same by right of posession and improvements

(6) *The claimant's water right was (was not) recorded in the office of the County Recorder of* ..... *County, at page* ..... *of Book* ..... *of* .....

(7) *The approximate number of animals watered by the claimant during the first year was* 100 *and said watering was conducted for an approximate period of* ..... *days during each of the following months* the entire year only when there was water from storms which made it unnecessary for stock to go to the spring

(8) *The approximate number of animals watered by claimant in subsequent years was as follows:* claiment has had from 300 to 400 head of stock at this Spring continually since the water was developed by him in 1893

(9) *The amount of water which it has been necessary to divert for the said purpose has been* 1/40th of a *cubic feet per second.*
40 miners inches equals 1 cubic foot per second

(10) *The water is diverted from its source at* South 3° 54′ East 26406 *feet*
True bearing to nearest 5 minutes distance
from the South East *corner of Section* 33, *T.* 8 South, *R.* 65 E,
E., Mount Diablo Base and Meridian.

NOTE—Information under (10) must invariably be given when a public corner is within 6 miles, unless the State Engineer consents to some other form of description.

(11) *The works are located at* the point of diversion and 100 feet N.W.
Describe as within a 40 acre subdivision of public survey or by a tie in same manner as under (10)

Remarks: If the present Survey were extended from the 2nd standard Parallel South and the correction is the same as on the same meridian a little farther East, this Spring will be situated on the S.W.¼ of the S.E.¼ of Section 28 Township 9 South Range 65 East Mt Diablo Base and Maredian
