COUNTY OF CLARK } ss.

I, Jack K. Leavitt, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 4th day of January, 1967, that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source (Las Vegas Artesian Basin) in Clark County, Nevada by Charles T.
